Size Chart

Three dress sizes are included in this set. If your little one falls between sizes, I recommend that you make the next size up. Small adjustments can be made in the width of the high waist, shoulder straps, and length of the dress in each size. Finished measurements are shown below.

| Size | 3 Months | 6 Months | 9 Months |
|--|----------|----------|----------|
| Top of Bodice to Waist | 3¼" | 3½" | 3⅝" |
| Waist | 18" | 19" | 20" |
| Length of dress (from top of shoulder to skirt hem) | 14⅜" | 15⅝" | 16⅞" |
| Shoulder Strap Length (from top of bodice front to top of bodice back) | 3" | 4" | 5" |

I recommend medium weight 100% cotton or linen for this dress. Preshrink all fabric before you begin. Let it dry completely, then mist with water and iron.
